Albert Barnes collected the visually challenging art of his lifetime. In this spirit, the ARTNOW! uses all of Philadelphia as its classroom—from galleries, to museums, to artists' studios. Led by artist and Barnes Instructor John Baptiste Gatti, ARTNOW! students get to experience behind-the-scenes access to shows at the Philadelphia Museum of Art, the Institute of Contemporary Art, and other art venues. Spring 2012 highlights will also include the ArtBlog's Libby Rosof and Roberta Fallon presentation on "The State of the Arts," and their Art Safari, a guided tour of independent and artist run spaces throughout the city.

Meets at the Barnes Foundation Arboretum House, 57 Lapsley Lane, Merion, Pennsylvania, and other locations as scheduled.
